

Attention Grant Readers Needed

The Michigan Department of Education administers various grant programs. Professionals in the field are needed to read and evaluate the grant proposals. Copies of competitive proposals are mailed to readers approximately two weeks before the reader session. A reader session is scheduled for May 17, 2004 in Lansing. **Grant readers must attend the reader session. To avoid conflict of interest, please do not apply to read grants for which your district/agency is applying.** If you are interested in reading proposals, please complete and return this form to the address below no later than April 26, 2004. MDE staff will contact you if you are chosen to be a reader.

I am interested in reading proposals for the following Michigan Department of Education grant program:
